Continuous Delivery Game

Place the characters cards on the table, horizontaly aligned: JarJarBinks, Anakin, Luke, ObiWan, QuiGon and Yoda. The animator randomly gives 1 practice card to the team, who has maximum 45s to agree on placing it in front of the character representing their global maturity level regarding this practice. Then the animator puts another card on the the table and so on, until all practice cards are placed. Teammates now have 5min to choose 1 to 3 cards which they agree to improve on during next sprint.
